

Connecting an iOS Device to ASC-Wifi

Process

- Connect to ASC-Wifi and enter shared password
- Redirect to captive portal, fill in sponsor information
- Get password
- Register Device name in Clearpass Guest
- Forget ASC-Wifi Network
- Reconnect with new password

STEP 1

Connect to the ASC-Wifi and enter password ASC-Wifi

You will be redirected to our captive portal for registration.

While you are connected to ASC-Wifi, select the network to see its information, and disable Private Wi-Fi Address

STEP 2

Go back to captive portal registration and enter your details, sponsor's details, accept the terms of use and register

The screenshot shows a mobile browser interface for the ASC NETWORK registration page. At the top, the status bar shows 'Optus', '1:24 pm', and '79%' battery. The address bar contains 'networklogin.ausport.gov.au' and 'ASC-Wifi'. Below the address bar are navigation arrows, a 'Log In' button, and a 'Cancel' button. The main content area features the Australian Government logo and the text 'Australian Government Australian Sports Commission'. The title 'ASC NETWORK' is prominently displayed. Below the title, a message states: 'Please complete the form below to gain access to the network.' The form includes several fields: 'Sponsor's Email' with a dropdown menu showing 'Athlete Residences' and a note 'Email of the person sponsoring this account.'; 'Your Name *' with a note 'Please enter your full name.'; and 'Email Address *' with a note 'Please enter your email address. This will become your username to log into the network.' There is also a 'Confirm:' section with an unchecked checkbox and the text 'I accept the terms of use'. A yellow 'Register' button is positioned below the form. At the bottom, there are links for 'Sign In' and 'Forgot your password? Click here'. A small asterisk note indicates that fields with an asterisk are required.

The screenshot shows the account confirmation page for the ASC NETWORK. The title 'ASC NETWORK' is at the top. Below it, a message states: 'The details for your guest account are shown below. Your account is currently awaiting confirmation. This page will refresh every 30 seconds.' The page lists the following account details: 'Sponsor's Email:' (redacted); 'Guest's Name:' 'Olivia' (redacted); 'Account Username:' 'Olivi' (redacted); 'Guest Password:' 'YVSDLX'; 'Activation Time:' 'Friday, 28 October 2022, 9:46 AM'; 'Expiration Time:' 'Saturday, 29 October 2022, 9:46 AM'; and 'Account Status:' 'Disabled'. A yellow 'Log In' button is located at the bottom right of the page.

Copy the guest password

STEP 3

When your sponsor approves the request, select Log In and enter your username and Guest password

Operator Login	
Username:	<input type="text"/>
Password:	<input type="password"/>
<input type="button" value="Log In"/>	

Enter your Device name and select Create. The Mac address should pre-populate.
